# Donald Trump is Coming to Town

(Sung to the tune of "Santa Claus is Coming to Town")

## Chorus:

You better watch out  
You better not hump  
You better pull out  
Cause our president's Trump  
Donald Trump is coming to town

—  
He's making a list  
And checking it twice  
Gonna find out  
Who's nasty and nice  
Donald Trump is coming to town

He sees you when you're screwing  
He knows which boobs are fake  
He knows if you are straight or bi  
Don't be gay for Pence's sake!

## [Chorus]

With little boy hands and little toy guns  
Rooty toot toots and rummy tum tums  
Donald Trump is coming to town  
And republican friends with conservative views  
Misogynists, whites, supremacists too  
Donald Trump is coming to town  
The men at Fox News Channel will have a jubilee  
They're gonna build a giant wall all around the whole country!

## [Chorus]

## Hark! The Nasty Women Sing

(Sung to the tune of "Hark! The Herald Angels Sing")

Hark! The nasty women sing  
Glory to the Nuva ring  
Peace of mind, and hormones mild  
IUDS and spermicide  
Joyful all erections rise  
Get an implant if you're wise  
With feminist host proclaim  
"I'm not pregnant and I came"  
Hark! The nasty women sing  
Glory to the Nuva ring

# Single Belles

(Sung to the tune of "Jingle Bells")

## Chorus:

Single belles, single belles  
Single all the way  
Oh what it fun it is to ride  
This guy I met today

—

Swiping through my app  
As I go about my day  
Refill my pill pack  
Pick up condoms on the way  
Got a date at nine  
For drinks and a quick bite  
What fun it is to laugh and flirt  
And have safe sex tonight

## [Chorus]

Some years or so ago  
Sanger took a chance  
And soon we had the pill  
Which changed modern romance  
Now I don't need a man  
I break the gender role  
I'm having fun while I'm still young  
All thanks to birth control

## [Chorus]

# Have Yourself a Nasty Little Christmas

(Sung to the tune of "Have Yourself a Merry Little Christmas")

Have yourself a nasty little Christmas  
Let your heart be light  
Next year all our government will be alt right

Have yourself the right to contraception  
Let the gays be gay  
From now on, our troubles will be here to stay

Here we are as in olden days  
Happy golden days of yore  
Faithful whites who are dear to Trump  
Gather near to Trump once more

Someday soon a woman will be president  
If the fates allow  
Until then we'll have to muddle through somehow  
So have yourself a nasty little Christmas now

# Little Trumper Boy

(Sung to the tune of "Little Drummer Boy")

Run, they told me-  
It's Trump Trump Trump Trump  
He'll send some asshole tweets-  
It's Trump Trump Trump Trump  
Now he's commander in chief-  
Oh fuckity fuck  
Speaks like a human queef,  
Good luck luck luck luck  
Luck luck luck luck  
Boy are we fucked.

A threat to women's rights-  
It's Trump Trump Trump Trump  
Appeals to men and whites-  
It's Trump Trump Trump Trump.  
Against planned parenthood-  
Big muckity muck  
Good luck with birth control-  
What the fuck fuck fuck  
Fuck fuck fuck fuck  
This really sucks.

First orange president-  
It's Trump Trump Trump Trump  
Ignorance is evident-  
It's Trump Trump Trump Trump  
4 years, we'll hold our ground-  
Then dump dump dump dump  
Fucking with the wrongest crowd-  
Stand up up up up  
Ladies stand up  
We won't be stuck.

It's time to get nasty-  
Poor Trump Trump Trump Trump  
Here we come.

## Blue Christmas

(Sung to the tune of "Blue Christmas")

We'll have a blue Christmas without Hil  
So we're asking for the implant or the pill  
Nominations of red mean less women's rights  
Won't be the same dear  
So we have gotta fight

And when those birth control costs start rising  
Pence will say something demoralizing  
Trump will be doing all right  
With his Christmas so white  
But we'll have a blue, blue, blue, blue Christmas

# Santa Baby

(Sung to the tune of "Santa Baby")

Santa baby, slip an IUD up in me (and me!)  
Been an awful good girl, Santa baby,  
So hurry before January

Santa baby, I've been a nasty woman this year,  
No fear  
Now I need a new 5 year plan,  
Santa baby, so hurry before January

Think of all the fun I haven't missed  
Think of the fellows that I have kissed  
Next year I could be just as good  
If you'll check off my birth control list

Santa baby, I wanna cum  
And really that's not a lot  
I've been nasty all year  
Santa baby, so hurry before January

Santa honey, one little thing I really need  
The deed  
I like to do it all night  
Santa baby, so hurry before January

Santa cutie, and fill my stocking with lots of sex  
Safe sex  
With whoever I please  
Santa cutie, and hurry before January

Come and see my right to choose  
Man this election gave me the blues  
It's the time to believe in NOW  
Because NOW believes in me

Santa baby, forgot to mention one little thing,  
The ring  
I don't mean on the phone  
Santa baby, so hurry before January  
Hurry before January  
Hurry, tonight

# I Saw Mike Pence Kissing Santa Claus

(Sung to the tune of "I Saw Mommy Kissing Santa Claus")

I saw Mike Pence kissing Santa Claus  
Underneath the mistletoe last night  
He didn't see me creep  
Down the stairs to have a peep  
He thought that I was tucked up  
In my bedroom, fast asleep

Then I saw Mike Pence tickle Santa Claus  
Underneath his hair so snowy white  
Oh, what a laugh it would have been  
If Donald had only seen  
Mike Pence kissing Santa Claus last night

## Living in Trump's America

(Sung to the tune of "Walking in a Winter Wonderland")

Women shout, are you listening?  
At the polls, tears are glistening  
A terrible sight, we're crying tonight  
Living in Trump's America

Gone away is Obama  
Here to stay, alt right drama  
They sing a hate song  
As we go along  
Living in Trump's America

At the border we can put a wall up  
Then pretend the Mexicans will pay  
We'll say "Can gays marry?"  
He'll say "No man"  
And Pence will take all our rights away

Later on, we'll conspire  
As we dream by the fire  
To face so afraid, the plans that were made  
Living in Trump's America
